

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED)	
GAS ADJUSTMENT FILING OF)	
EAST KENTUCKY UTILITIES,)	CASE NO. 9236-G
INC.)	

ORDER

On September 30, 1985, the Commission issued its Order in Case No. 9236 approving certain adjustments and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On June 27, 1986, East Kentucky Utilities, Inc., ("East Kentucky") notified the Commission that its wholesale cost of gas had been decreased by its supplier, Kentucky West Virginia Gas Company ("Kentucky West"), effective June 7, 1986, and submitted with its notice certain information in compliance with its purchased gas adjustment clause on file with this Commission.

After reviewing the record in this case and being advised, the Commission is of the opinion and finds that:

(1) East Kentucky's notice of June 27, 1986, set out certain revisions in rates which East Kentucky proposed to place into effect, said rates being designed to pass on the wholesale decrease in price from its supplier in the amount of \$28,525 or 19.785 cents per Mcf.

(2) Kentucky West has filed an application for decreased rates to become effective June 7, 1986, with the Federal Energy Regulatory Commission ("FERC").

(3) The rates proposed by East Kentucky in its application of June 7, 1986, are incorrect due to the line losses being added to the decrease and not subtracted. The rates in the Appendix to this Order are based on the correct method of computing the decrease.

(4) East Kentucky should file with this Commission the amount of excess revenues collected during the period from June 7, 1986, to the date the corrected rates are implemented, along with a plan to refund such overcollections to its customers.

(5) East Kentucky's adjustment in rates under the purchased gas adjustment provisions approved by the Commission in its Order in Case No. 9236 dated September 30, 1985, is fair, just and reasonable and in the public interest and should be effective with gas supplied on and after June 7, 1986.

IT IS HEREBY ORDERED that:

(1) The rates in the Appendix to this Order, and not the rates proposed by East Kentucky, be and they hereby are authorized effective with gas supplied on and after June 7, 1986.

(2) Within 30 days of the date of this Order East Kentucky shall file with this Commission its revised tariffs setting out the rates authorized herein.

(3) Within 30 days of the date of this Order East Kentucky shall file with this Commission the amount of excess revenues collected along with a refund plan.
